Nature of Complaint:

(Docket No. SW-04305A-09-0291)

Customer called to say that she is against this proposed rate increase being asked by Arizona American Water Company in San Manuel. The 17% rate increase is out of line especially with so many retired people who live in this small town who are limited on income. Customer is strongly against any kind of a rate increase as it will hurt those who live in San Manuel.
